

We are pleased to present you with the 2010 edition of the Bburago catalogue. In 2009, we began the process of widening the appeal for Bburago products by introducing a number of playsets to be used in conjunction with our 1/43 scale replicas. In 2010 we will continue this process, and we are pleased to announce the return of an old friend to help us achieve this.

Ten years ago, a long relationship with Ferrari ended for Bburago. In 2010, this relationship is rekindled with the launch of our new range of car and playset products. The range is all about fun, from Haulers to Launchers to Infra-Red and also including some authentic Ferrari engine sounds. We are proud and excited about our new arrangement with Ferrari, and we hope you enjoy reviewing our product range.

We have not forgotten our other partners, however, and we are equally as excited with our new products from Lamborghini, Fiat, and Audi, just to name a few. In fact, in spite of an extremely difficult worldwide economic crisis, for 2010 Bburago will have it's largest amount of new products introduced in many, many years.
